Carpenter

About Us:

Bretoba Contracting Ltd. is a foundation-to-finish construction company known for quality work, collaborative leadership, and strong community values. As our work has expanded in project management and development, and our leadership team supports the operations of multiple businesses.

Relationships are at the core of everything we do. We believe that the small things —like remembering a birthday, following up personally with a client, or taking the time to celebrate team milestones — builds trust and long-term success. We’re looking for someone who shares that belief and wants to bring it to life in a meaningful, behind-the-scenes role.

Position Overview:

We are seeking a skilled Carpenter to join our team. The ideal candidate will have a strong background in carpentry and construction, with the ability to assemble, fabricate, and restore various structures and fixtures. This role requires proficiency in using hand tools and performing heavy lifting as needed. The Carpenter will play a crucial role in ensuring that projects are completed to high standards of quality and safety. Carpenters With Bretoba Construction will have good judgement, accuracy, be dependable, hardworking, flexible and reliable. Carpenters will be team players, have efficient interpersonal skills, and excellent oral communication.
