Job Details

112792 Canada Inc. dba AMJ Campbell is looking for an experienced, hard working, full-time, permanent (32.5 hr) Warehouse Supervisor in the Vancouver area.

Grow your career as part of a rapidly growing company with plenty of opportunity.

Take responsibility work in a fast-paced dynamic environment where you are trusted to make important decisions and lead your Warehouse operations team.

Duties and Responsibilities:

- Plan, coordinate and control all operations of AMJ Campbell – Delta Warehouse facility
- Manage the space, lot, sections and inventory of Delta Warehouse and develop continuous improvement strategies for efficiency.
- Compliance with health, safety, and quality standards. Prepare and execute contingency plans in case of an accident, flood, heavy snow or wildfires etc.
- Track and analyze production KPIs
- Monitor productivity, quality, costs, and efficiency of AMJ Campbell – Delta Warehouse facility
- Reduce waste, downtime, and production costs
- Oversee the operations budget, manage all budget items of AMJ Campbell - Delta Warehouse aligned with corporate (quarterly & annual) budget KPIs
- Hire, train and develop Warehouse Supervisors, Team Members aligned with AMJ safety protocols.
- Manage the maintenance agenda of ramps, shelves, loading equipment, trucks and all other vehicles.
- Implement continuous improvement initiatives such as Lean Manufacturing, 5S, Kaizen, and Six Sigma
- Train the Middle mile facilities

Job Description

Requirements:

- Bachelor's Diploma
- 2+ years of Warehouse Supervisory experience, ideally in a moving & logistics company
- WMS Ramp experience is required.
- Fleet Management work experience is required. Specialization in shipping and receiving is required.
- Manual Transmission vehicle driving experience is required.

- Knowledge of Dispatch track, CCUI and Compass software is an asset
- Strong interpersonal & leadership skills
- Strong communication and problem-solving skills.
- Large workload, fast-paced environment, working under pressure and attention to detail is required by the nature of position.
- Availability for flexible hours due to logistical requirements is a must.
- Class 5 driver license – mandatory (clean records will be checked)
- Experience with ERP/MRP systems is considered an asset
- Strong verbal communication and presentation skills, with the ability to lead meetings and deliver effective training.

Remuneration:

- \$45.25 per/hr
- 2-week vacation

Work location: 9924 River Road, Delta, BC, V4G 1B5, Canada
