Job Description

Assess the children's development in order to prepare a learning plan tailored to his needs.

Develop and implement child-care programs that support and promote the physical, cognitive, emotional and social development of children

Lead activities by telling or reading stories, teaching songs and taking children to local points of interest

Guide and assist children in the development of proper eating, dressing and toilet habits

Observe children for signs of potential learning or behavioural problems and prepare reports for parents, guardians or supervisor

Establish and maintain collaborative relationships with co-workers and community service providers working with children

Plan and maintain an environment that protects the health, security and well-being of children
